**The Malign Hand of the Markets: The Insidious Forces on Wall Street that are Destroying Financial Markets - and What We Can Do About it** John Staddon

## WHAT'S THE MATTER WITH WALL STREET?

### And How Do We Fix It?

Even after the global financial meltdown of 2008, economists have clung to Adam Smith's "Invisible Hand" theory of an always selfregulating market that benefits private and public interests alike. But Duke University professor John Staddon is here to tell that there's also another, darker force at work on Wall Street—a "Malign Hand" that guides all human interactions, including our finances.

Combining psychology, behavioral economics, and other sciences, Staddon's explosive new theory reveals the underlying principles behind the economic crisis, exposing the invisible mechanisms that drive our markets today. You'll learn how we can:

- Prevent market bubbles from building
- Distinguish voluntary from involuntary market risk and regulate them differently
- Simplify and restore Glass-Steagall
- Understand market mechanisms through Darwinian dynamics
- Moderate boom and bust cycles and make financial markets sustainable

Using economic theory, global market trends, and psychological research, Staddon's electrifying book is both analytical and prescriptive—with a number of possible solutions to our most pressing economic concerns. You'll learn about the wrong assumptions that underlie our present system, basic rules for managing risk, and the real reasons behind the market's greatest successes and biggest disasters.

You'll hear surprising insights into the delicate relationship between Wall Street and Washington—with assessments of the bailouts, the Dodd-Frank bill, and other attempts at financial regulation. Best of all, you'll discover realistic solutions that can stop the boom-and-bust cycle once and for all.

Compelling, controversial, and remarkably thorough, *The Malign Hand of the Markets* will change the way we plan our future, manage our finances, and build our fortunes.

### **From reader reviews:**

#### **Larry Young:**

People live in this new moment of lifestyle always attempt to and must have the free time or they will get lots of stress from both daily life and work. So , once we ask do people have time, we will say absolutely indeed. People is human not really a robot. Then we consult again, what kind of activity are there when the spare time coming to anyone of course your answer can unlimited right. Then ever try this one, reading books. It can be your alternative throughout spending your spare time, the actual book you have read is definitely The Malign Hand of the Markets: The Insidious Forces on Wall Street that are Destroying Financial Markets - and What We Can Do About it.

#### **Matthew Schwartz:**

Playing with family in a very park, coming to see the coastal world or hanging out with good friends is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Malign Hand of the Markets: The Insidious Forces on Wall Street that are Destroying Financial Markets - and What We Can Do About it, you can enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh can occur its mind hangout men. What? Still don't have it, oh come on its called reading friends.

#### **Denise Swann:**

As we know that book is essential thing to add our information for everything. By a publication we can know everything we want. A book is a set of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This guide The Malign Hand of the Markets: The Insidious Forces on Wall Street that are Destroying Financial Markets - and What We Can Do About it was filled about science. Spend your extra time to add your knowledge about your research competence. Some people has different feel when they reading some sort of book. If you know how big good thing about a book, you can feel enjoy to read a guide. In the modern era like right now, many ways to get book that you just wanted.

#### **Joyce Jiminez:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this The Malign Hand of the Markets: The Insidious Forces on Wall Street that are Destroying Financial

Markets - and What We Can Do About it can make you truly feel more interested to read.
