## **WHORES: Why and How I Came to Fight the Establishment** Larry Klayman

Judicial Watch and Freedom Watch founder, Larry Klayman describes his efforts to stem abuses in the judiciary and executive branches of our government. He details his legal battles with President and First Lady Bill and Hillary Clinton (Chinagate and Filegate), Vice President Dick Cheney (secret energy commission meetings), and the Bush administration over illegal wiretapping of American citizens. His portraits of the likes of Janet Reno, Fred Thompson, Arlen Specter, Judge Denny Chin (who recently presided over the Madoff trial) and other Clinton insiders Klayman considers unethical, and who have come back to power in the Obama administration, reveal not always flattering sides of their well-cultivated images. Klayman also has choice words to say about media figures such as Bill O'Reilly, Sean Hannity and Paula Zahn, and he accuses media mogul Rupert Murdoch of sandbagging the original publication of WHORES by HarperCollins because of the book's negative portrait of Roger Ailes and Fox News. Above all, WHORES is an impassioned plea for reform of our judicial system with a number of provocative suggestions.
