Wound Care Essentials: Practice Principles (Baraoski, Wound Care Essentials) Sharon Baranoski, Elizabeth A. Ayello

This book is an essential clinical reference to guide and elevate practice in the specialty of wound care. Created by an interdisciplinary team of professionals, the text appeals to nurses, physical therapists, physicians, podiatrists, long-term care professionals, and others shouldering the responsibility of finding effective solutions in treating both common and atypical wound problems. The book focuses on assessment, treatment, and care and covers topics that other text-references do not, including sickle cell wounds and an entire chapter devoted to special populations. It is the most clinical of our various wound care books.
