## **Ariel Sharon: An Intimate Portrait** Uri Dan

In 1954 reporter Uri Dan met a young military commander named Ariel Sharon and followed him closely for more than half a century. Dan became Sharon's trusted advisor and a witness to the defining moments of the Israeli-Palestinian conflict--from secret meetings with heads of state to open warfare in the Sinai. This riveting combination of political history, narrative biography, interviews, and correspondence sheds new light on the conflict in the Middle East and provides an intimate, definitive portrait of Ariel Sharon--a man whose life is inextricably intertwined with Israel's destiny. With Hamas governing Palestine, Ariel Sharon gravely ill and the party he founded, the Kadima, in control of the Knesset, this book couldn't be more timely.
