Berkeley Walks: Revealing Rambles through America's Most Intriguing City

Robert E Johnson, Janet L Byron

Berkeley Walks: Revealing Rambles through America's Most Intriguing City Robert E Johnson, Janet L Byron

Berkeley Walks celebrates the things that make Berkeley such a wonderful walking city—diverse architecture, panoramic views, tree-lined neighborhoods, historic homes, unusual gardens, secret pathways, hidden parks, vibrant street life, trend-setting restaurants, and intriguing history. Fascinating and surprising sidelights include the apartment building from which Patty Hearst was kidnapped; Ted Kaczynski's home before he became the Unabomber; and the residences of Nobel laureates and literary Berkeleyans such as Thornton Wilder, Ann Rice, and Philip K. Dick.

Bob Johnson and Janet Byron—longtime city residents and tour guides—designed these 18 walks to showcase the many elements that make Berkeley's neighborhoods, shopping districts, and academic areas such fun to explore. Visitors will discover a vibrant community beyond the University of California campus borders, while locals will be surprised and delighted by the treasures in their own backyards.

Highlights of the book include a focus on architects Joseph Esherick, John Galen Howard, Bernard Maybeck, Julia Morgan, James Plachek, Walter Ratcliff, Jr., and John Hudson Thomas, 100 archival and original photos, and 20 maps, including a map of Berkeley bookstores.
