Country Roads of British Columbia: Exploring the Interior Liz Bryan

Join Liz Bryan on 18 picturesque journeys through the diverse landscapes of the British Columbia Interior. Winding through sagebrush and forest, grassland plateaus and mountain valleys, beside river canyons and multicoloured volcanic rocks, these road trips reveal the rich variety of the province's geology and natural history and show how the strands of human history are closely interwoven with the land. First Nations, fur traders, explorers, gold miners, ranchers and homesteaders—all have left their mark.

Country Roads of British Columbia is an invitation to celebrate the province's scenic heartland and to learn a little of the history of this westernmost province. Driving instructions and maps complement the text, and Bryan's colour photographs show just how beautiful British Columbia is.
