## Development of Psychopathology: A Vulnerability-Stress Perspective

Edited by Benjamin L. Hankin and John R. Z. Abela, **Development of Psychopathology: A Vulnerability-Stress Perspective** brings together the foremost experts conducting groundbreaking research into the major factors shaping psychopathological disorders across the lifespan in order to review and integrate the theoretical and empirical literature in this field. The volume editors build upon two important and established research and clinical traditions: developmental psychopathology frameworks and vulnerability-stress models of psychological disorders.
