Downloading this FREE release by 12 a.m. PT on January 1, 2013 will entitle you to receive a unique code that can be redeemed within the free-to-play (F2P) online video game HAWKEN, good for 2000 Hawken Credits of in-game currency that can be used to buy items, upgrades, and accessories. This unique code will be emailed to you after January 1st, during the first week of 2013 to the email address associated with your comiXology account.

On the distant world of Illal, corporate rivalry turns to warfare as secret technologies are discovered, coveted, and stolen. Mega-planetary corporate empires, SENTIUM and PROSK, each seek to out-jockey each other in the race for technical superiority in the marketplace, but when the value of that superiority eclipses the cost of human life, no degree of diplomacy can bridge the gap. Now, with the discovery of a revolutionary new geological element, both sides fight tooth and nail for the materials that will keep them one step ahead of the other in an escalating arms race that will - unbeknownst to all - lead to the ruin of the planet?

In this second of four preview releases, exclusive to comiXology, writer Jeremy Barlow (Mass Effect, Star Wars) and artist Bagus Hutomo (Shrapnel, Heavy Metal) bring you "CAT AND MOUSE", lettered by Deron Bennet (Tale of Sand, The Dark Crystal).

### From reader reviews:

#### **Deborah Anderson:**

A lot of people always spent all their free time to vacation as well as go to the outside with them family or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read the book. It is really fun for yourself. If you enjoy the book that you just read you can spent all day long to reading a guide. The book Hawken: Genesis #2 it is very good to read. There are a lot of those who recommended this book. We were holding enjoying reading this book. In case you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore quickly to read this book from a smart phone. The price is not to cover but this book features high quality.

#### **Lana Alvis:**

This Hawken: Genesis #2 is completely new way for you who has interest to look for some information as it relief your hunger info. Getting deeper you into it getting knowledge more you know or else you who still having small amount of digest in reading this Hawken: Genesis #2 can be the light food for you because the information inside this specific book is easy to get simply by anyone. These books produce itself in the form that is reachable by anyone, sure I mean in the e-book web form. People who think that in guide form make them feel tired even dizzy this book is the answer. So there is absolutely no in reading a guide especially this one. You can find what you are looking for. It should be here for anyone. So , don't miss the item! Just read this e-book type for your better life as well as knowledge.

#### **Marco Roy:**

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Hawken: Genesis #2 can make you experience more interested to read.

#### **Brenda Robert:**

E-book is one of source of know-how. We can add our information from it. Not only for students but additionally native or citizen require book to know the change information of year in order to year. As we know those guides have many advantages. Beside most of us add our knowledge, also can bring us to around the world. Through the book Hawken: Genesis #2 we can take more advantage. Don't you to be creative people? Being creative person must love to read a book. Simply choose the best book that suited with your aim. Don't end up being doubt to change your life at this time book Hawken: Genesis #2. You can more inviting than now.
