The Book of Psalms is married together here with artwork from medieval manuscripts and intricate borders to create a beautiful jewel of a book that is produced with a silk cover, flexible binding, and ribbon marker, in the style of a unique, illuminated keepsake.

All 150 passages from the Book of Psalms, which is revered in many sects of Judaism and Christianity and is one of the best known, most beautifully written sections of the Bible, are included. The 50 works of art from illuminated manuscripts, as well as dozens of borders and smaller illustrations are printed in five colors including simulated gold ink.
