The Name of the Game (A Something New Novel) Jennifer Dawson

"An author to watch out for." --*RT Book Reviews*

Some people follow the rules. . .

A professor of forensic anthropology, James Donovan is the reasonable sibling among the passionate, impulsive Donovans. But there's nothing reasonable about his reaction to baker Gracie Roberts. She's all wild curls and mouth-watering curves, as deliciously tempting as the sugary treats she's famous for--and twice as irritating. But before long, James decides that getting a taste of her is one indulgence he can't pass up. . .

Some people play to win. . .

Independent, smart, and sexy, Gracie's year-long dry spell has her itching for a man. Responsible, health-obsessed James? Not in a million years! She needs a guy who knows how to let loose! But when James sets out to show her just how satisfying a disciplined man can be when pleasure is at stake, she learns just how sweet--and spicy--he really is.

Have James and Gracie found the recipe for love?
