The War of the Sexes: How Conflict and Cooperation Have Shaped Men and Women from Prehistory to the Present Paul Seabright

As countless love songs, movies, and self-help books attest, men and women have long sought different things. The result? Seemingly inevitable conflict. Yet we belong to the most cooperative species on the planet. Isn't there a way we can use this capacity to achieve greater harmony and equality between the sexes? In *The War of the Sexes*, Paul Seabright argues that there is--but first we must understand how the tension between conflict and cooperation developed in our remote evolutionary past, how it shaped the modern world, and how it still holds us back, both at home and at work.

Drawing on biology, sociology, anthropology, and economics, Seabright shows that conflict between the sexes is, paradoxically, the product of cooperation. The evolutionary niche--the long dependent childhood--carved out by our ancestors requires the highest level of cooperative talent. But it also gives couples more to fight about. Men and women became experts at influencing one another to achieve their cooperative ends, but also became trapped in strategies of manipulation and deception in pursuit of sex and partnership. In early societies, economic conditions moved the balance of power in favor of men, as they cornered scarce resources for use in the sexual bargain. Today, conditions have changed beyond recognition, yet inequalities between men and women persist, as the brains, talents, and preferences we inherited from our ancestors struggle to deal with the unpredictable forces unleashed by the modern information economy.

Men and women today have an unprecedented opportunity to achieve equal power and respect. But we need to understand the mixed inheritance of conflict and cooperation left to us by our primate ancestors if we are finally to escape their legacy.

From reader reviews:

James Bardsley:

Have you spare time for just a day? What do you do when you have a lot more or little spare time? Yes, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a wander, shopping, or went to the Mall. How about open or even read a book entitled The War of the Sexes: How Conflict and Cooperation Have Shaped Men and Women from Prehistory to the Present? Maybe it is to get best activity for you. You know beside you can spend your time together with your favorite's book, you can smarter than before. Do you agree with its opinion or you have other opinion?

Cynthia Miller:

Playing with family within a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love The War of the Sexes: How Conflict and Cooperation Have Shaped Men and Women from Prehistory to the Present, you could enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh seriously its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

Eddie Horton:

This The War of the Sexes: How Conflict and Cooperation Have Shaped Men and Women from Prehistory to the Present is great reserve for you because the content and that is full of information for you who also always deal with world and possess to make decision every minute. This book reveal it info accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with beautiful delivering sentences. Having The War of the Sexes: How Conflict and Cooperation Have Shaped Men and Women from Prehistory to the Present in your hand like obtaining the world in your arm, information in it is not ridiculous 1. We can say that no e-book that offer you world inside ten or fifteen small right but this reserve already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt that will?

Angie Blakney:

Is it an individual who having spare time subsequently spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This The War of the Sexes: How Conflict and Cooperation Have Shaped Men and Women from Prehistory to the Present can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
