## **A Kitten Tale** Eric Rohmann

Four kittens have never seen the snow. The first three kittens are wary--snow is cold, it's wet, it covers everything. This unknown thing called snow is a little bit. . . scary. As the seasons pass and winter begins to loom, the three skittish kittens worry. But the fourth kitten takes a different view. The fourth kitten is getting excited. Snow will cover everything?! "I can't wait!"

Caldecott Medal winner Eric Rohmann gives us a charming, gentle story that both respectfully acknowledges a child's fear of the unknown and celebrates the power of a positive outlook. Deceptively simple and quietly profound.
