Blackbeard and the Sandstone Pillar: When Lightning Strikes Audrey Penn

Four young teens from Ocracoke Island, NC, whom readers will know from *Mystery at Blackbeard's Cove*, set out on their quest to locate and return some very old pirate loot to its rightful owners. They encounter a few obstacles, but nothing that a little ingenuity, the willingness to break a rule or two, and a handy forklift can't overcome! But the kids have also uncovered even deeper, ancient mysteries their discovery of a third trunk and a strange sandstone, mysteries that Blackbeard's ghost fears could bring the world to the brink of disaster.

This second book of the Blackbeard Quartet is a great mix of comic adventure, pirate lore, historical mysteries, and the supernatural.
