Beginnings and Ends (Short Story) (Troubleshooters) Suzanne Brockmann

Suzanne Brockmann, bestselling author of *When Tony Met Adam* and the pulse-pounding Troubleshooters series, has been hailed by *USA Today* as a “superstar of romantic suspense.” In this original short story, available exclusively as an eBook, Brockmann returns with two of her most beloved characters from the Troubleshooters world: operative Jules Cassidy and his husband, Robin.

After years of playing the tormented actor Joe Laughlin on the hit television show *Shadowland*, Hollywood star Robin Chadwick Cassidy is ready for a change. Joe’s character embodies the real demons of Robin’s past—his struggle with his sexuality, his battle with alcoholism—and portraying the part has taken a heavy toll on his personal life. Robin’s husband, FBI agent Jules Cassidy, has noticed the strain and will do whatever he can to make Robin happy. And what Robin has in mind will forever transform his career, his marriage, and his family.

Includes a thrilling excerpt from Suzanne Brockmann’s novel *Hot Target*, featuring Jules Cassidy.

“Openly gay FBI agent Jules Cassidy [is] one of the most charming and original characters in popular fiction today.”—*Library Journal*

Praise for Suzanne Brockmann

“Brockmann strikes the perfect balance between white-knuckle suspense and richly emotional romance.”—*Chicago Tribune*

“Brockmann is a master of adventure, drama, passion, and suspense.”—*The Tampa Tribune*

From reader reviews:

Anthony Robin:

In this 21st century, people become competitive in every way. By being competitive currently, people have to do something to make these people survive, being in the middle of often the crowded place and notice by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Sure, by reading an e-book your ability to survive improves then having a chance to stand out is high. In your case, who wants to start reading any book, we give you that *Beginnings and Ends (Short Story) (Troubleshooters)* book as a starter and daily reading guide. Why, because this book is usually more than just a book.

Paul Greenblatt:

This *Beginnings and Ends (Short Story) (Troubleshooters)* is a great publication for you because the content is certainly full of information for you who always deals with the world and also has to make a decision every minute. This book reveals its facts accurately using great organized words or we can say no rambling sentences in it. So if you read the idea hurriedly you can have whole details in it. Doesn't mean it only provides you with straightforward sentences but difficult core information with splendidly delivered sentences. Having *Beginnings and Ends (Short Story) (Troubleshooters)* in your hand is like obtaining the world in your arm, info in it is not ridiculous at all. We can say that no publication offers you the world inside ten or fifteen moments right but this book already does that. So, this is a good reading book. Hello Mr. and Mrs. busy, do you still doubt that will?

Ronna Rutledge:

As a student, I exactly feel bored for you to read. If their teacher requested them to go to the library or make a summary for some book, they are complained. Just little students that have reading as an internal or real pastime. They just do what the educator wants, like asked to go to the library. They go to it right now but nothing is read seriously. Any student feels that looking at it is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise, word says, many ways to reach Chinese's country. Therefore, this *Beginnings and Ends (Short Story) (Troubleshooters)* can make you sense more interested to read.

Darren Reid:

Reading a reserve makes you to get more knowledge from that. You can take knowledge and information from the book. Book is created or printed or created from each source which filled with update of news. With this modern era like at this point, many ways to get information are available for an individual. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just looking
