Confessions of a Hostie (2 Book Series) Danielle Hugh

From Book 1:

If you have ever wondered what it would be like to be a jet-setting hostie, or international flight attendant, then spending a little time in Danielle's life is a captivating journey. You might be surprised and shocked to discover many of the truths behind the lifestyle as well as the incidences and behaviour of passengers at 30,000 feet. In this updated edition, which features Chapter 1 of the sequel "More Confessions of a Hostie: The Second Sector", Danielle writes candidly, humorously and from the heart about life, love and her exploits around the world. From the slums of Mumbai to the glitz of New York there are as many highs and lows as take-offs and landings. Prepare for a turbulent ride of emotions and adventure, so place your seat upright, fasten your seatbelt and prepare for take-off. Danielle Hugh's passion for flying dazzles in this frank and amusing account of jet-setting around the globe. With almost 20 years in a unique working world, her juicy tales are often as shocking as they are colourful.
