## **Mind MGMT #1** Matt Kindt

"Matt Kindt, the most original voice in genre comics, outdoes himself in this bold new espionage series! Reporting on a commercial flight where everyone aboard lost their memories, a young journalist stumbles onto a much bigger story, the top-secret Mind Management program. Her ensuing journey involves weaponized psychics, hypnotic advertising, talking dolphins, and seemingly immortal pursuers, as she attempts to find the flight's missing passenger, the man who was MIND MGMT's greatest success and its most devastating failure. But in a world where people can rewrite reality itself, can she trust anything she sees? \*\*Please Note:\*\* The back covers of MIND MGMT include content exclusive to the print editions. Digital readers are not missing any of the story, but print readers will have access to additional sketch and production materials, which may eventually be reprinted in the MIND MGMT collections. From the creator of 3 Story and Super Spy! Akira meets Heart of Darkness by way of 100 Bullets! ""Best comic I have read in many, many, MANY months. Exquisitely dense in all the right ways. Bravo."" Damon Lindelof, cocreator of Lost ""Best first issue I've read in a loooooong time is MIND MGMT."" Brian Michael Bendis, writer of Avengers and Ultimate Spider-Man ""MIND MGMT has got me for the long haul. If you are a fan of mysteries, if you are a fan of Kindt, if you are a fan of comics: pick this up!"" ComicsBulletin.com five-star review ![DH Original](http://images.darkhorse.com/darkhorse/indeximages/blog/DHO2.jpg ""DH Original"")"
