Modern German Grammar Workbook, Third Edition, is an innovative book of exercises and language tasks for intermediate and advanced learners of German. The book is divided into three sections:

- Section 1 provides exercises based on essential grammatical structures.
- Section 2 practises everyday functions (e.g. making introductions, apologising, expressing needs).
- Section 3 contains realistic role-plays in short scenes, set in a range of different contexts.

A comprehensive answer key at the back of the book enables you to check on your progress. Implementing feedback from users of the second edition, this third edition now features:

- even more extensive cross-referencing to the related *Modern German Grammar*, Third Edition
- spelling following the latest reform
- representation of the German of Switzerland and Austria.

It can be used independently or alongside *Modern German Grammar*, Third Edition (ISBN 978-0-415-56726-8) also published by Routledge.
