Neil Simon

Neil Simon's Memoirs Neil Simon

The complete memoirs of playwright Neil Simon—the author of such iconic works as *Lost in Yonkers*, *The Odd Couple*, *Biloxi Blues*, and *The Goodbye Girl*—now with a new introduction.

This omnibus edition combines Neil Simon's two memoirs, *Rewrites* and *The Play Goes On*, into one volume that spans his extraordinary five-decade career in theater, television, and film. *Rewrites* takes Simon through his first love, his first play, and his first brush with failure. There is the humor of growing up in Washington Heights (the inspiration for his play *Brighton Beach Memoirs*) where, despite his parents' rocky marriage and many separations, he learned to see the funny side of family drama, as when his mother screamed thinking she saw a body on the floor in their apartment—it turned out to be the clothes his father discarded in the hallway after a night of carousing. He describes his marriage to his beloved wife Joan, and writes lucidly about the pain of losing her to cancer. *The Play Goes On* adds to his life's story, as he wins the Pulitzer Prize and reflects with humor and insight on his tumultuous life and meteoric career.

Now, with the whole story in one place, Neil Simon's collected memoirs trace the history of modern entertainment over the last fifty years through the eyes of a man who started life the son of a garment salesman and became the greatest—and most successful—American playwright of all time.

From reader reviews:

Geneva Richardson:

In this 21st hundred years, people become competitive in every single way. By being competitive at this point, people have do something to make these survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Sure, by reading a e-book your ability to survive increase then having chance to stand up than other is high. For you who want to start reading any book, we give you that Neil Simon's Memoirs book as beginning and daily reading publication. Why, because this book is more than just a book.

Nicholas Tapia:

A lot of people always spent their free time to vacation or even go to the outside with them household or their friend. Do you know? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity that's look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you simply read you can spent all day every day to reading a book. The book Neil Simon's Memoirs it is very good to read. There are a lot of folks that recommended this book. They were enjoying reading this book. In the event you did not have enough space to create this book you can buy often the e-book. You can m0ore easily to read this book out of your smart phone. The price is not too costly but this book possesses high quality.

Richard Brassell:

You could spend your free time to read this book this book. This Neil Simon's Memoirs is simple bringing you can read it in the recreation area, in the beach, train as well as soon. If you did not have much space to bring typically the printed book, you can buy the particular e-book. It is make you simpler to read it. You can save the particular book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.

Dona Cole:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Neil Simon's Memoirs can make you truly feel more interested to read.
