Speculative Aesthetics Robin Mackay, Luke Pendrell, James Trafford

Documenting and expanding upon a roundtable discussion on the ramifications of Speculative Realism for aesthetics, this discussion ranges from contemporary art's relation to the aesthetic, to accelerationism and abstraction, logic and design.

From varied perspectives of philosophy, art and design, participants examine the new technological mediations between the human sensorium and the massive planetary media network within which it now exists, and consider how the aesthetic enables new modes of knowledge by processing sensory data through symbolic formalisms and technological devices.
