**The Gender Communication Connection** Teri Kwal Gamble, Michael W. Gamble

The authors explore the many ways that gender and communication intersect and affect each other. Every chapter encourages a consideration of how gender attitudes and practices, past and current, influence personal notions of what it means not only to be female and male, but feminine and masculine. The second edition of this student friendly and accessible text is filled with contemporary examples, activities, and exercises to help students put theoretical concepts into practice.
