Better. Stronger. Faster. The original Six Million Dollar Man, Steve Austin, was a man barely alive until the OSI transformed him into the world's first Bionic Man. Now, he and Oscar Goldman are the most effective team in National Security. But a rogue faction in the OSI is making a power play for that position with a new type of infiltration agent - one that is completely obedient and robotic. Fan-favorite classic action figure Maskatron joins the official Six Million Dollar Man original television continuity. Can a soulless machine that wears Steve Austin's very face make the Six Million Dollar Man obsolete? And as Steve's world is threatened from within, his very actions unknowingly release an alien menace upon an unsuspecting world. It's a return to the original 1970s Six Million Dollar Man in all its groovy bionic glory - Da-Na-Na-Na-Na!
