## **The Squirrel Machine** Hans Rickheit

Meticulous, strange, and hauntingly beautiful, this evocative and enigmatic book will ensure the inquisitive reader a spleenful of cerebral serenity that will take exposure to vast quantities of mediocrity to dispel.

"The Squirrel Machine is not for the faint of heart, and features quite disturbing and grotesque imagery - H. R. Giger has nothing on Rickheit's psychosexual nightmares... Existing on the crossroad of creativity and madness, The Squirrel Machine is a nightmare in a series of gristly tableaus... An exploration of an artist's mind, it uncovers the obscene, the things that were never meant to be brought to light." - Ao Meng, The Daily Texan
