A Radical Green Political Theory (Routledge Innovations in Political Theory) Alan Carter

This volume is the first systematic, comprehensive and cogent environmental political philosophy. It exposes the relationships between the ever-worsening environmental crises, the nature of prevailing economic structures and the role of the modern state and concludes that the combination of these factors is driving humanity towards destruction.

Innovative, provocative and cutting-edge, *A Radical Green Political Theory* will be of enormous value to all those with an interest in the environment, political theory and moral and political philosophy.
