H. G. Wells

Ann Veronica H. G. Wells

Ann Veronica is a New Woman novel by H.G. Wells published in 1909.

Ann Veronica describes the rebellion of Ann Veronica Stanley, "a young lady of nearly two-and-twenty," against her middle-class father's stern patriarchal rule. The novel dramatizes the contemporary problem of the New Woman. It is set in Victorian era London and environs, except for an Alpine excursion. Ann Veronica offers vignettes of the Women's suffrage movement in Great Britain and features a chapter inspired by the 1908 attempt of suffragettes to storm Parliament

From reader reviews:

William Fugate:

Book will be written, printed, or created for everything. You can recognize everything you want by a reserve. Book has a different type. As you may know that book is important thing to bring us around the world. Adjacent to that you can your reading ability was fluently. A publication Ann Veronica will make you to be smarter. You can feel much more confidence if you can know about everything. But some of you think in which open or reading any book make you bored. It's not make you fun. Why they could be thought like that? Have you trying to find best book or suited book with you?

Jesus Jones:

The book Ann Veronica can give more knowledge and also the precise product information about everything you want. Why then must we leave the good thing like a book Ann Veronica? Some of you have a different opinion about guide. But one aim in which book can give many details for us. It is absolutely right. Right now, try to closer along with your book. Knowledge or info that you take for that, you could give for each other; you may share all of these. Book Ann Veronica has simple shape but you know: it has great and big function for you. You can appearance the enormous world by available and read a e-book. So it is very wonderful.

Victor Havens:

What do you in relation to book? It is not important to you? Or just adding material when you really need something to explain what the ones you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every individual has many questions above. They have to answer that question because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is right. Because start from on jardín de infancia until university need this specific Ann Veronica to read.

Rachel Daniels:

A lot of people said that they feel bored when they reading a guide. They are directly felt this when they get a half regions of the book. You can choose the particular book Ann Veronica to make your own personal reading is interesting. Your own skill of reading skill is developing when you like reading. Try to choose straightforward book to make you enjoy to see it and mingle the opinion about book and reading through especially. It is to be 1st opinion for you to like to wide open a book and go through it. Beside that the e-book Ann Veronica can to be your brand new friend when you're truly feel alone and confuse using what must you're doing of this time.
