#### Bike EXIF Custom Motorcycle Calendar 2015 (Multilingual Edition) Chris Hunter

The bikes featured in the Bike EXIF Calendar 2015 were crafted by artisan builders from around the world. They stem from varied backgrounds and take distinctive approaches, but all produce brilliant results. For the guys at Wrenchmonkees this meant drawing upon 16 years of experience to produce a unique and stunning Laverda 750. In the case of Bill Costello, his BMW R100T Custom was only his second build. With the help of local craftsmen at an auto interior shop, a machinist and a wheel maker, Bill was able to create a thoroughly impressive bike. Another commonality of all the builders was their focus to do whatever necessary to achieve their vision of the perfect bike. For Christian Schwarzenlander of ExesoR this meant sourcing the basis for his Honda CB Café Racer on eBay for a mere \$340.00. In contrast, Max Hazan crafted his Harley Ironhead entirely from scratch to build without compromising the design. Featured Bikes January - BMW R100T Feburary - Honda CB Cafe Racer March - Moto Guzzi V50 Monza April - Kawasaki Kamikaze Cafe Racer May - Laverda 750 June - Honda CB Cafe Racer July - Triumph Bonneville August -The Sprintbeemer September - Honda XL 500 October - Kawasaki W650 Scrambler November - BMW R1200S December - Suzuki ST400
