An endearing new chapter book series by two-time Newbery Honor author of the bestselling Polk Street series.

Jilli and Jim are best of friends. But today, Jim has some news. Something scary is happening next door. Workmen are building something that is big and red. And a woman in a pointy hat is on a ladder painting. Could she be the witch from Hansel and Gretel making a big red gingerbread house?

When Jilli's dog Fiercely crawls under the fence and runs into the witch's yard--the children must go over there and rescue him! But a surprise is in store for everyone. The woman is not a witch at all. She's Ms. Berry--the nicest teacher from the school. And soon she will be their teacher!

With her characteristic warmth, humor, and irresistible child-friendly drama, Patricia Reilly Giff is at her very best!
