L'alternativa socialdemòcrata (ORIGENS) (Catalan Edition)

Àngel Ros

L'alternativa socialdemòcrata (ORIGENS) (Catalan Edition) Àngel Ros

Un temps, un país, un partit. Aquests són els tres grans punts de partida que serviran a Àngel Ros, alcalde de Lleida i president del PSC, per desgranar tot el seu pensament polític amb la col·laboració d'Albert Sáez, director adjunt d'El Periódico. I el format escollit fuig de convencionalismes.

El periodista exposa “tres quadres, tres estampes” que descriuen l'època actual de crisi (un temps), la “qüestió nacional” en el debat polític a Catalunya (un país) i la trajectòria del PSC (un partit). I el polític hi respon com a alcalde, com a catalanista i com a socialista, respectivament. I ho fa amb el convenciment de qui viu la política del dia a dia, amb passió, amb vocació de servei, amb una mirada crítica i aportant-hi solucions alternatives.

«La socialdemocràcia, si vol ser alternativa, s'ha d'obrir de nou a la societat i incorporar els nous neguits de la gent d'acord amb el nucli dur del seu pensament, que és fer compatible la igualtat amb la llibertat, sense permetre que l'una eclipsi l'altra. Això val per diferenciar-se del comunisme i del capitalisme neoliberal, però també per conjugar creixement i sostenibilitat, regulació i competència, Estat i societat, poder polític i societat civil».

Àngel Ros,(1952)

És llicenciat en Ciències Físiques i doctor en Informàtica. Milita en el Partit dels Socialistes de Catalunya des de l'any 1979. Ha estat diputat al Parlament de Catalunya. És paer en cap de l'Ajuntament de Lleida des de l'any 2004, primer secretari del PSC de les terres de Lleida des del 2012 i president del PSC des del 2014.
