## **Living Theodrama: Reimagining Theological Ethics (Ashgate Studies in Theology, Imagination and the Arts) Wesley, Dr Vander Lugt**

A fresh, creative introduction to theological ethics. Offering an imaginative approach through dialogue with theatrical theory and practice, Vander Lugt demonstrates a new way to integrate actor-oriented and action-oriented approaches to Christian ethics within a comprehensive theodramatic model. This model affirms that life is a drama performed in the company of God and others, providing rich metaphors for relating theology to everyday formation and performance in this drama. This book contains not only a fruitful exchange between theological ethics and theatre, but it also presents a promising method for interdisciplinary dialogue between theology and the arts that will be valuable for students and practitioners across many different fields.
