Loverboys Ana Castillo

“Seductive ... full of infectious vigor ... these stories demand, above all, to be listened to.”—*New York Times Book Review*

From Ana Castillo, the widely praised author of *So Far from God* and *The Guardians*, comes this collection of stories on the experience of love in all its myriad configurations. Infectiously moody and murderously comic, Castillo chronicles the rapturous beginnings, melancholy middles, and bittersweet endings of modern romance between men and women, men and men, and women and women.
