Revelation: Tribulation and Triumph Practical Christianity Foundation

Often intimidating, and especially open to broad interpretation, the book of Revelation has been the source of controversy for hundreds of years. Now, through this easy-to-ready devotional commentary, Revelation will come alive as you read and study scholarly interpretations and compare the strengths and weaknesses of the theories presented. Readers can form their own opinions about the most studied yet least understood book of the Bible.

With its graphic imagery, forthcoming predictions and profound significance, Revelation gives readers a simple interpretation on how the promises—judgment for the wicked, hope for the righteous, and blessing for all “who keep the words of the prophecy of this book”—will come to pass.
