## Star Wars: The Black Fleet Crisis Trilogy (3 Book Series)

Michael P. Kube-Mcdowell

**Star Wars: The Black Fleet Crisis Trilogy (3 Book Series)** Michael P. Kube-Mcdowell **From Book 1:** In the blockbuster bestselling tradition of *Heir to the Empire* comes this thrilling addition to the *Star Wars*(r) saga, as peace gives way to a new threat...

It is a time of tranquillity for the New Republic. The remnants of the Empire now lie in complete disarray, and the reemergence of the Jedi Knights has brought power and prestige to the fledgling government on Coruscant. Yesterday's Rebels have become today's administrators and diplomats, and the factions that fought against imperial tyranny seem united in savoring the fruits of peace.

But the peace is short-lived. A restless Luke must journey to his mother's homeworld in a desperate and dangerous quest to find her people. An adventurous Lando must seize a mysterious spacecraft that has weapons of enormous destructive power and an unknown mission. And Leia, a living symbol of the New Republic's triumph, must face down a ruthless leader of the Duskhan League, an arrogant Yevetha who seems bent on a genocidal war that could shatter the fragile unity of the New Republic...and threaten its very survival.

Features a bonus section following the novel that includes a primer on the *Star Wars* expanded universe, and over half a dozen excerpts from some of the most popular *Star Wars* books of the last thirty years!
