Workplaces need to be dynamic and exciting to reflect the challenge and pace of modern business. The benefits from simple workspace changes can be staggering, but equally it is easy to be swayed by the latest fads and fashions. Written by an author from an architect/ergonomist background, the book provides practical guidance on making a difference by: using new design solutions and innovative workspace models to enhance the way you work; making simple changes - feng shui, fish tanks and fun; incorporating the senses - style, colour, light, sound, smell, texture and comfort; planning the project to suit your needs and your budget; and wooing the die-hards and inspiring your project team.
