A Buddhist Catechism: An Outline of the Doctrine of the Buddha Gotama (Classic Reprint) Subhadra Bhikshu

Excerpt from A Buddhist Catechism: An Outline of the Doctrine of the Buddha Gotama

There have appeared of late years, on the subject of Buddhism, a great many comprehensive and critical works, none, perhaps it may be said, of more value than F. W. Rhys David's essay; but yet no simple exposition, suited to the general intelligence, and setting forth the sublime doctrine of the Buddha Gotama, not as though a system no longer active, but as a yet living source of pure truth accessible, still, to all men athirst for spiritual knowledge and abundant to satisfy that thirst.

Of this sort the Buddhist Catechism of Henry S. Olcott affords the earliest example. It had a surprising success. Originally intended only for the instruction of Singalese children, it was scarcely suited to the highly educated European reader. Nevertheless, within a few years, many thousand copies were sold, a sufficient proof of the increasing interest taken in Buddhism by the Western world.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
