An Expressive Theory of Punishment (Palgrave Studies in Ethics and Public Policy)

William Wringe

An Expressive Theory of Punishment (Palgrave Studies in Ethics and Public Policy) William Wringe

This book argues that punishment's function is to communicate a message about an offenders' wrongdoing to society at large. It discusses both 'paradigmatic' cases of punishment, where a state punishes its own citizens, and non-paradigmatic cases such as the punishment of corporations and the punishment of war criminals by international tribunals.
