## **Ending Poverty: Jobs, Not Welfare** Hyman P. Minsky

Although Hyman P. Minsky is best known for his ideas about financial instability, he was equally concerned with the question of how to create a stable economy that puts an end to poverty for all who are willing and able to work. This collection of Minsky's writing spans almost three decades of his published and previously unpublished work on the necessity of combating poverty through full employment policies—through job creation, not welfare.
