**Kansas City Secrets (The Precinct: Cold Case) Julie Miller**

**This was one cold case a hard-nosed detective had every intention of solving...with or without a beautiful victim's help...**

Six years ago Rosie March's fiancé was murdered. Now someone is stalking her, intent on stopping her memories of the murder from being revealed. And Detective Max Krolikowski, her protector, only wants her alive for the truth she might be hiding.

But Max is hiding his own secrets, such as the acute PTSD the ex-soldier lives with. As part of Kansas City's Cold Case Squad, the officer's work should have been simply investigative. But with his potential key witness's life jeopardized, he must keep her safe at any cost. And keep himself from falling for a woman who could be a true innocent...or a killer waiting to strike again.
