Nonbeliever Nation: The Rise of Secular Americans David Niose

A new group of Americans is challenging the reign of the Religious Right.

Today, nearly one in five Americans are nonbelievers - a rapidly growing group at a time when traditional Christian churches are dwindling in numbers - and they are flexing their muscles like never before. Yet we still see almost none of them openly serving in elected office, while Mitt Romney, Rick Santorum, and many others continue to loudly proclaim the myth of America as a Christian nation.

In *Nonbeliever Nation*, leading secular advocate David Niose explores what this new force in politics means for the unchallenged dominance of the religious Right. Hitting on all the hot-button issues that divide the country - from gay marriage to education policy to contentious church-state battles - he shows how this movement is gaining traction, and fighting for its rights. Now, Secular Americans - a group comprised not just of atheists and agnostics, but lapsed Catholics, secular Jews, and millions of others who have walked away from religion - are mobilizing and forming groups all over the country (even atheist clubs in Bible-belt high schools) to challenge the exaltation of religion in American politics and public life.

This is a timely and important look at how growing numbers of nonbelievers, disenchanted at how far America has wandered from its secular roots, are emerging to fight for equality and rational public policy.

From reader reviews:

Larry Parrish:

Reading a publication tends to be new life style on this era globalization. With examining you can get a lot of information that will give you benefit in your life. Using book everyone in this world can easily share their idea. Books can also inspire a lot of people. A lot of author can inspire their very own reader with their story or their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some study before they write on their book. One of them is this Nonbeliever Nation: The Rise of Secular Americans.

Gary Sandler:

In this period globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The particular book that recommended for you is Nonbeliever Nation: The Rise of Secular Americans this e-book consist a lot of the information of the condition of this world now. This particular book was represented so why is the world has grown up. The dialect styles that writer use to explain it is easy to understand. The actual writer made some analysis when he makes this book. That's why this book suited all of you.

David Moore:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Nonbeliever Nation: The Rise of Secular Americans can make you sense more interested to read.

Regina Dye:

What is your hobby? Have you heard which question when you got college students? We believe that that query was given by teacher on their students. Many kinds of hobby, Every person has different hobby. And you also know that little person similar to reading or as examining become their hobby. You must know that reading is very important and book as to be the thing. Book is important thing to provide you knowledge, except your own teacher or lecturer. You discover good news or update about something by book. Numerous books that can you decide to try be your object. One of them is Nonbeliever Nation: The Rise of Secular

Americans.
