Munich Metro Map

Munich, regional capital of Bavaria in south central Germany, is the second most popular destination in Germany after Berlin. The city is a center for culture and arts, with a staggering assortment of museums. It is also a fun loving, convivial, good old fashion party town known for the annual Oktoberfest.

Munich is a city of contrasts. The Marienplatz is the heart of Munich and the site of its most important historic buildings. The square is dominated by the Neo-gothic Town Hall featuring its famous Glockenspiel. The Alte Pinakothek houses one of Europe's most important art collections. In contrast is the Hofbrauhaus where beer has been swilled at this world famous tavern site since it became a royal brewery in 1605. In Englischer Garten you will find Haus der Kunst, a popular place for art exhibits. It is located adjacent to one of the best river surfing spots in Munich (there are several): the Eisenbach River. You can stand on the bridge and watch as surfers carve turns on the icy water. The water is shallow and the water is fast, so this may not be the best place to try the sport for the first time, but it is definitely worth watching as surfers line up for a chance to test their skills on this permanent 3 foot wave. And then there is Theresienwiese, the park on the west side of town where the vast beerhall tents are pitched for Oktoberfest.

The main STREETWISE® map of Munich covers the central city in detail and contains all important sites, architecture, metro stations and parks.
