The Case for the Psalms: Why They Are Essential

N. T. Wright

The Case for the Psalms: Why They Are Essential N. T. Wright

Widely regarded as the modern C. S. Lewis, N. T. Wright, one of the world's most trusted and popular Bible scholars and the bestselling author of *Simply Christian* and *Surprised by Hope*, presents a manifesto urging Christians to live and pray the Bible's Psalms in *The Case for the Psalms*.

Wright seeks to reclaim the power of the Psalms, which were once at the core of prayer life. He argues that, by praying and living the Psalms, we enter into a worldview, a way of communing with God and knowing him more intimately, and receive a map by which we understand the contours and direction of our lives. For this reason, all Christians need to read, pray, sing, and live the Psalms. By providing the historical, literary, and spiritual contexts for reading these hymns from ancient Israel's songbook, *The Case for the Psalms* provides the tools for incorporating these divine poems into our sacred practices and into our spirituality itself.
