The Fifties: A Women's Oral History

Brett Harvey

The Fifties: A Women's Oral History Brett Harvey

Harvey, a frequent Village Voice contributor, independent publicist, radio programmer, and active feminist, provides dramatic and revealing first-person stories from women growing up in the '50s--a time when lifestyle choices were narrow and second-class citizenship was all that was available for women.

From reader reviews:

Larry Hunter:

The book *The Fifties: A Women's Oral History* gives you the sense of being enjoy for your spare time. You can use to make your capable more increase. Book can to get your best friend when you getting stress or having big problem with your subject. If you can make looking at a book *The Fifties: A Women's Oral History* being your habit, you can get far more advantages, like add your own personal capable, increase your knowledge about several or all subjects. It is possible to know everything if you like wide open and read a publication *The Fifties: A Women's Oral History*. Kinds of book are a lot of. It means that, science book or encyclopedia or others. So , how do you think about this book?

Roger Cowen:

As people who live in often the modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era which is always change and move ahead. Some of you maybe may update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This *The Fifties: A Women's Oral History* is our recommendation to make you keep up with the world. Why, because book serves what you want and want in this era.

Jeremy Bedford:

Your reading sixth sense will not betray an individual, why because this *The Fifties: A Women's Oral History* publication written by well-known writer we are excited for well how to make book which can be understand by anyone who have read the book. Written with good manner for you, leaking every ideas and composing skill only for eliminate your own personal hunger then you still uncertainty *The Fifties: A Women's Oral History* as good book but not only by the cover but also with the content. This is one reserve that can break don't ascertain book by its deal with, so do you still needing one more sixth sense to pick this kind of!? Oh come on your examining sixth sense already said so why you have to listening to yet another sixth sense.

Gary Muldowney:

What is your hobby? Have you heard that will question when you got scholars? We believe that that problem was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. So you know that little person similar to reading or as examining become their hobby. You need to know that reading is very important and book as to be the point. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You see good news or update concerning something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is *The Fifties: A Women's Oral History*.
