The Moonstone Wilkie Collins

"Although I attach no sort of credit to the fantastic Indian legend of the gem, I must acknowledge, before I conclude, that I am influenced by a certain superstition of my own in this matter. It is my conviction, or my delusion, no matter which, that crime brings its own fatality with it. I am not only persuaded of Herncastle's guilt; I am even fanciful enough to believe that he will live to regret it, if he keeps the Diamond; and that others will live to regret taking it from him, if he gives the Diamond away."

This is an excerpt from Wilkie Collins', "The Moonstone."
