The Rat on Fire (Vintage Crime/Black Lizard)

George V. Higgins

The Rat on Fire (Vintage Crime/Black Lizard) George V. Higgins

A riveting, blistering novel about the shady side of the law and the business side of the Boston underworld by the one and only George V. Higgins.

Jerry Fein is a small-time lawyer, occasional booking agent, and full-time slumlord. But he's nobody's fool. So when the tenants of his dilapidated buildings refuse to pay rent because of rats, Jerry knows just the man to help him—Leo Proctor, a professional arsonist, who can make a fire marshal look the other way for a little cash. But the heat is on over at the police station as well, and a couple of cops are suddenly feeling pressure from their superiors to produce tangible results, and something has got to give.

Full of showboating politicians, hardnosed cops, and lawyers a little too familiar with both sides of the law, *The Rat on Fire* is another Higgins masterpiece and an unflinching portrait of the Boston crime world.
