## **Jury of Six** Dave P. Fisher

Jury of Six is a steadily moving western set against the backdrop of 1880 Nebraska.

Families like the MacMahons were the backbone of the developing west. It was a time when the law was spread thin and honest men and women took care of difficulties in black and white. Good men were respected; bad men were dealt with by the law of rope and gun . . .

For eight years the disappearance of Niobrara ranchers Owen and Aiden MacMahon remained a mystery. When an outlaw gang begins running roughshod over the country leaving another MacMahon for dead, the hard-as-nails MacMahons go hunting for those responsible only to find an old enemy and the answer to the eight-year-old mystery.
