Wish Barbara O'Connor

Eleven-year-old Charlie Reese has been making the same secret wish every day since fourth grade. She even has a list of all the ways there are to make the wish, such as cutting off the pointed end of a slice of pie and wishing on it as she takes the last bite. But when she is sent to the Blue Ridge Mountains of North Carolina to live with family she barely knows, it seems unlikely that her wish will ever come true. That is until she meets

Wishbone, a skinny stray dog who captures her heart, and Howard, a neighbor boy who proves surprising in lots of ways. Suddenly Charlie is in serious danger of discovering that what she thought she wanted may not be what she needs at all.

From award-winning author Barbara O'Connor comes a middle-grade novel about a girl who, with the help of a true-blue friend, a big-hearted aunt and uncle, and the dog of her dreams, unexpectedly learns the true meaning of family in the least likely of places.

From reader reviews:

Gregory Jager:

A lot of people always spent their own free time to vacation as well as go to the outside with them loved ones or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that's look different you can read a new book. It is really fun for you personally. If you enjoy the book which you read you can spent 24 hours a day to reading a reserve. The book Wish it is rather good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. When you did not have enough space to bring this book you can buy typically the e-book. You can m0ore effortlessly to read this book from a smart phone. The price is not too expensive but this book possesses high quality.

Robert Perkins:

Reading a book to get new life style in this calendar year; every people loves to read a book. When you read a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what forms of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, this kind of us novel, comics, and also soon. The Wish provide you with new experience in looking at a book.

Helen Jackson:

Is it you actually who having spare time and then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Wish can be the respond to, oh how comes? The new book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?

Karen Garcia:

A lot of people said that they feel bored when they reading a publication. They are directly felt the item when they get a half regions of the book. You can choose the particular book Wish to make your reading is interesting. Your own skill of reading skill is developing when you similar to reading. Try to choose basic book to make you enjoy to study it and mingle the sensation about book and examining especially. It is to be first opinion for you to like to start a book and read it. Beside that the publication Wish can to be your friend when you're feel alone and confuse with what must you're doing of these time.
