Art Anatomy Simplified (Dover Anatomy for Artists)

Charles Carlson

Art Anatomy Simplified (Dover Anatomy for Artists) Charles Carlson

This is the most entertaining and easy-to-use anatomy text you'll ever see. The author — a practiced artist, teacher, and cartoonist — delivers the keys to figure construction in a direct, easy-to-follow, and highly visual manner. Students of fine arts and commercial illustration alike will find this manual a practical foundation upon which to build their knowledge of anatomy— the background essential to anyone wishing to draw easily and with confidence.

This concise guide covers all of the most important functions and actions. Stressing the concept that figure drawing begins with a thorough understanding of muscles and skeletal framework, the author employs the methods first mastered by Leonardo da Vinci, Michelangelo, and Dürer. More than 350 drawings illustrate these lessons, which advance from simple anatomy studies to more complex tutorials on action sketches, perspective drawings, the use of charcoal, and other techniques and approaches.

From reader reviews:

Dave Edwards:

What do you think about book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Just simply you can be answered for that question above. Every person has several personality and hobby for each and every other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Art Anatomy Simplified (Dover Anatomy for Artists). All type of book are you able to see on many options. You can look for the internet methods or other social media.

Alma Medina:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them family members or their friend. Did you know? Many a lot of people spent that they free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity this is look different you can read the book. It is really fun for yourself. If you enjoy the book that you just read you can spent the entire day to reading a reserve. The book Art Anatomy Simplified (Dover Anatomy for Artists) it is extremely good to read. There are a lot of people who recommended this book. They were enjoying reading this book. When you did not have enough space to develop this book you can buy often the e-book. You can m0ore very easily to read this book from the smart phone. The price is not to cover but this book offers high quality.

Jeffrey Price:

People live in this new moment of lifestyle always try to and must have the time or they will get large amount of stress from both way of life and work. So , once we ask do people have time, we will say absolutely sure. People is human not really a robot. Then we consult again, what kind of activity do you have when the spare time coming to you actually of course your answer can unlimited right. Then ever try this one, reading textbooks. It can be your alternative in spending your spare time, the actual book you have read is actually Art Anatomy Simplified (Dover Anatomy for Artists).

Jonathan Baker:

This Art Anatomy Simplified (Dover Anatomy for Artists) is great reserve for you because the content which can be full of information for you who have always deal with world and possess to make decision every minute. This specific book reveal it information accurately using great manage word or we can say no rambling sentences inside. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only gives you straight forward sentences but tricky core information with wonderful delivering sentences. Having Art Anatomy Simplified (Dover Anatomy for Artists) in your hand like finding the world in your arm, info in it is not ridiculous 1. We can say that no guide that offer you world within ten or fifteen moment right but this reserve already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you

still doubt that?
