Gold Digger: The Outrageous Life and Times of Peggy Hopkins Joyce Constance Rosenblum

A sparkling biography of the original blonde whom gentlemen preferred, a woman who made a career of marrying millionaires and became the first tabloid celebrity.

One of America's most talked about personalities during the Jazz Age, Peggy Hopkins Joyce was the quintessential gold digger, the real-life Lorelei Lee. Married six times, to several millionaires and even a count, Joyce had no discernible talent except self-promotion. A barber's daughter from Norfolk, Virginia, who rose to become a Ziegfeld Girl and, briefly, a movie star, Joyce was the precursor of the modern celebrity—a person famous for being famous. Her scandalous exploits—spending a million dollars in a week, conducting torrid love affairs with the likes of Charlie Chaplin and Walter Chrysler—were irresistible to the new breed of tabloid journalists in search of sensation and to audiences hungry for the possibilities her life seemed to promise.

Joyce's march across Broadway, Hollywood, and the nation's front pages was only slowed by the true nemesis of the glamour girl: old age. She died in 1957, alone and forgotten—until now. In prose as vibrant as its subject, Constance Rosenblum's *Gold Digger* brings to life the woman who singularly epitomized this confident and hedonistic era.

If you did not have much space to bring typically the printed book, you can buy the actual e-book. It is make you easier to read it. You can save the particular book in your smart phone. Consequently there are a lot of benefits that you will get when you buy this book.

Susan Negri:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Gold Digger: The Outrageous Life and Times of Peggy Hopkins Joyce can make you experience more interested to read.
