The Girl from the Paradise Ballroom: A Novel Alison Love

The first meeting between Antonio and Olivia at the Paradise Ballroom is brief, but electric.

Years later, on the dawn of World War II, when struggling Italian singer Antonio meets the wife of his wealthy new patron, he recognizes her instantly: it is Olivia, the captivating dance hostess he once encountered in the seedy Paradise Ballroom. Olivia fears Antonio will betray the secrets of her past, but little by little they are drawn together, outsiders in a glittering world to which they do not belong. At last, with conflict looming across Europe, the attraction between them becomes impossible to resist--but when Italy declares war on England, the impact threatens to separate them forever.

The Girl from the Paradise Ballroom is a story of forbidden love and family loyalties amid the most devastating war in human history.
