There is a natural progression to life, certain events that are supposed to happen at specific times. The death of a child at any age, however, upsets that progression, leaving the bereaved to formulate a new normal. Linda Anderson has survived such a loss. In *First Tears over the Loss of Your Child*, she shares some of the wisdom she has learned, and she has collected words of comfort from people who have also experienced traumatic losses. The result is a timeless volume that offers commiseration, hope, renewal, understanding and love to anyone who has lost a child.

Knowing through first-hand experience that bereaved parents need to a safe place in which to share their own grief and beloved memories of their children, Anderson has created a book that gives parents that security during the tender times shortly after the death of their child. *First Tears over the Loss of Your Child* is grouped into the following sections:

- First Tears
- Grieving
- Grieving as a Couple
- Faith
- Memories
- Your Life to Come

Parents never get over missing their child. But by reconciling themselves to their loss, they can allow happiness to grow around the memories of their loved ones.
