## **La grazia dell'acqua (Italian Edition)** Rossella Padovano

Solo la profonda grazia dell'acqua potrà unire gli opposti.

In un mondo medioevale risorto dalle ceneri di quello attuale, due popoli diversi, sono stati divisi dalla guerra. Sottoposti a duri allenamenti sin da bambini, i Rosensin, atei, vegetariani, fumatori d'erba, sono riusciti a trasformare i limiti del loro fisico esile in punti di forza, diventando, uomini e donne, abili guerrieri. Tuttavia rimane un loro punto debole, l'acqua. Malgrado agilissimi essi non sanno nuotare.

Conservatori e onnivori, gli Ardesiani pregano i loro dei con ardore, trascorrono un'infanzia serena e mandano solo gli uomini in guerra. Certi della loro superiorità essi tollerano sempre più a fatica la tregua con Rosemund e frequenti sono le dispute armate tra i giovani di entrambi i popoli.

La principessa di Rosemund e il figlio del Re di Ardesia, pur arrivando a desiderare l'uno la morte dell'altra, una notte si incontrano senza riconoscersi. Tra i due giovani inizia una drammatica relazione che li spinge a sfidare la preclusione per la quale i matrimoni tra le due razze non sono ammessi.
