My Dearest Minette: The Letters between Charles II and his Sister, the Duchesse d'Orleans

Ruth Norrington

My Dearest Minette: The Letters between Charles II and his Sister, the Duchesse d'Orleans Ruth Norrington

From 1659 until the year before her death in 1670, Henrietta (nicknamed Minette by her brother), regularly exchanged letters with Charles. In these eleven years they became close confidants, dependent upon each other for family news and gossip. More seriously, the letters reveal that both were skilled diplomats with an instinctive grasp of politics and foreign policy. Minette did not live to see the fruits of her diplomacy, especially the Secret Treaty of Dover which brought peace between England and France. Her unexpected and tragically early death, surrounded by rumors of murder, remains an unsolved mystery.
